

Inspiration Public School Haldwani

July 06, 2020

Dear Parents and Students,

Kindly be informed that the summer break is extended till June 20, 2020. Online Classes will resume from June 22, 2020.

School management has decided to introduce **Zoom** as a main tool for our teachers in order to provide synchronous online learning sessions for our students. The invites through the link will be sent to students on the WhatsApp Group by their teachers, so they can attend online classes on Zoom. We request you to help your ward in following simple zoom ethics to make the classes fruitful and meaningful.

Zoom Ethics for Children

- ❖ Be punctual and log in 2/3 minutes before the class.
- ❖ Log into your meeting in a distraction free environment. Keep your audio mute (until you have to speak).
- ❖ To speak, raise the “Raise Hand” feature and you will be attended.
- ❖ Do not scribble on the shared screen.
- ❖ Be ready with your earlier e-content material, note book and a pen to take notes.
- ❖ Be mindful of your online behaviour. It is being monitored.
- ❖ Children should interact with the teacher on turn.
- ❖ Follow technology ethics.
- ❖ After each class, get up and do 2/3 minutes stretching exercises.

We have always gone out of our way to provide the best of quality education to our students. We are sure of your support and co-operation at all times.

Regards,

Principal
